Import-export of quality food products

2025 Catalogue

Leader in food distribution for over 15 years.

Superior quality taste

Sublime came about from an idea: to bring the best gastronomic products from around the world to your table. To achieve this, we decided to make quality the goal of our business, taking great care with every stage of our supply chain.

**Controlled
supply chain**

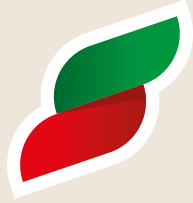

**Careful selection
of raw materials**

**Reliability
and punctuality**

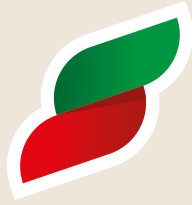

Certified quality

Each of our suppliers is a trusted partner of ours, with whom we share not only passion for high quality but also the most careful management of the whole production process.

For this reason, we decided to join all of them in using a Food safety Management System that meets ISO 22000:2005 standard, a guarantee of the high standard of quality of all of our products.
